Just following up.

We received the wire you sent last week. Wire was only for \$5,000.00. Hopefully today's wire will be larger so that we can meet your target of having it paid off within 10 day business days. Let me know when you have details.

This new bank you are now using is charging us DPW wire fees. Normally senders look after their own wire fees. We pay the receiving wire fees. Please take note of this for future wires.

Do you have a draft ready for the Security pledge? Can I be of help offering your Attorney wording to prepare this? Once this is completed, it will relieve a lot of pressure on both sides.

Thanks.
